
Get Ready for Brexit

Cheshire West and Chester Council in partnership with West Cheshire & North Wales Chamber of Commerce have secured monies to help businesses prepare for Brexit and provide practical ways to build international relationships.

- Private invitation roundtable debate for senior business leaders CEO/MD Breakfasts x 6 (first breakfast October)
- Export briefings – for documentation staff as and when required monthly
- Support from the chamber International Trade Team – advice on export documentation to ensure compliance
- Support from our Policy Team and CEO – to support on any other issues businesses are facing e.g. immigration
- Signposting to other organisations (Nationally and Globally) when appropriate
- BREXIT support pack available for businesses which will be constantly updated
- All support will be available to non-members.

The first package of support will be launched on 1 October 2019 and will run until 31 March 2020.
